POSTPONEMENT OF THE ANNUAL GENERAL MEETING

In light of the present situation in Quebec pertaining to the COVID-19 pandemic, the members of AREF's executive have decided to defer to a later date the association's Annual General Meeting (AGM) planned for the forthcoming May 13th. Since our regulations specify that the AGM be held annually, and normally between the months of April and November, we trust being able to convoke the AGM in accordance with these guidelines, unless of course the present crisis should last considerably longer than expected. Rest assured that you will receive a standard notice of convocation to the said meeting, either by mail or by email, at least 30 days prior to the date to be chosen by AREF's board of directors.

Until the end of this unprecedented trial that affects us all, we urge you to continue taking all necessary steps to remain healthy and to take care of both yourselves and your loved ones.
