LA CAPITALE'S "WIN WITH THE CLIENT CENTRE" CONTEST

Here is a message from our partner, La Capitale.

Dear AREF members,

Each person insured under a group insurance plan with La Capitale may register for the **Client Centre** and take advantage of online services, from anywhere at any time.

Here are a few examples of the benefits of registering to online services:

- You get full-time access to the details of your coverage and the amounts you can claim according to your contract.
- You can file claims online and receive reimbursement in less than 48 hours for most healthcare expenses.
- You can follow up your claims.
- You can view and print your service card.

To encourage its clients to take advantage of these online services, La Capitale is holding the **Win \$5,000 with the Client Centre** contest.

Please visit lacapitale.com/client-centre-contest for details and contest rules, and to sign up for the Client Centre.

The contest closes on June 30, 2021. Anyone with an open account in La Capitale's Client Centre on or before that date will be automatically entered in the contest.

Good luck!
