**AD HOC INFORMATION COMMITTEE
NEW VECTORS OF INFORMATION**

Dear AREF members,

Two pieces of good news: there are now two new ways to stay in touch with your AREF colleagues. First, AREF will promote books written by its members on its website, and second, you can now find your association on Facebook.

Our Members Publish

Following several requests from AREF members, the Information Committee has decided to dedicate a section of the AREF website to the promotion of books written by its members. You can now visit the page "[Nos membres publient](#)", accessible under the "Publications" tab of the menu, to discover the works of your colleagues.

We need your help to feed this page, though! Do not hesitate to send us the information related to your book by filling out the [Submission Form](#) and we will be pleased to post it!

*Please note that the submission form is in French. Should you have any questions about it, please contact us and we will be happy to help you.

AREF on Facebook

We launched a Facebook Page, "[AREF-neq](#)", as well as a private Group, named "[AREF membres](#)". To find them, log in to your Facebook account and type these names in the search bar that appears in the top left corner, next to the Facebook logo.

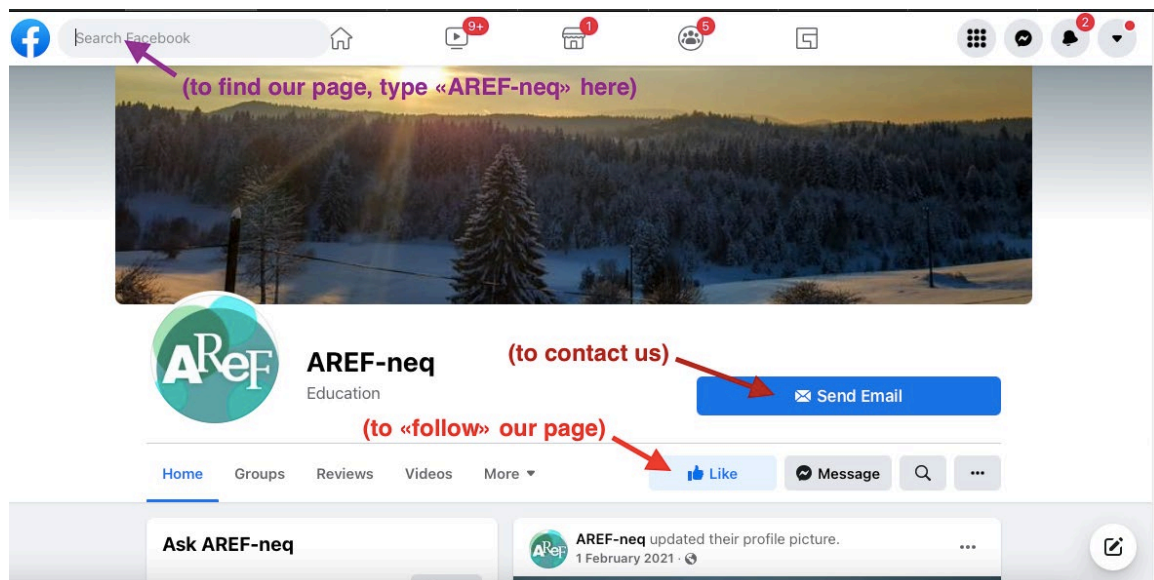

*Please note that you will find the results under *Pages* and *Groups* respectively, not under *People*.

The Page: [AREF-neq](#)

We invite you to “Like” the page. Then, click the “...” tab to access the “Follow Settings” and choose “Favorites” or “Default” to not miss anything posted on the page.

On Facebook, we will share all publications that are posted on our website’s “[Babillard](#)”. We will also post announcements, publications or events that our members inform us of that could be of interest for other members, in accordance with our communications policy. If you would like to share content on this page, submit it to the facilitator using the “Send Email” button. If we cannot share your submission, we will inform you of the reason.

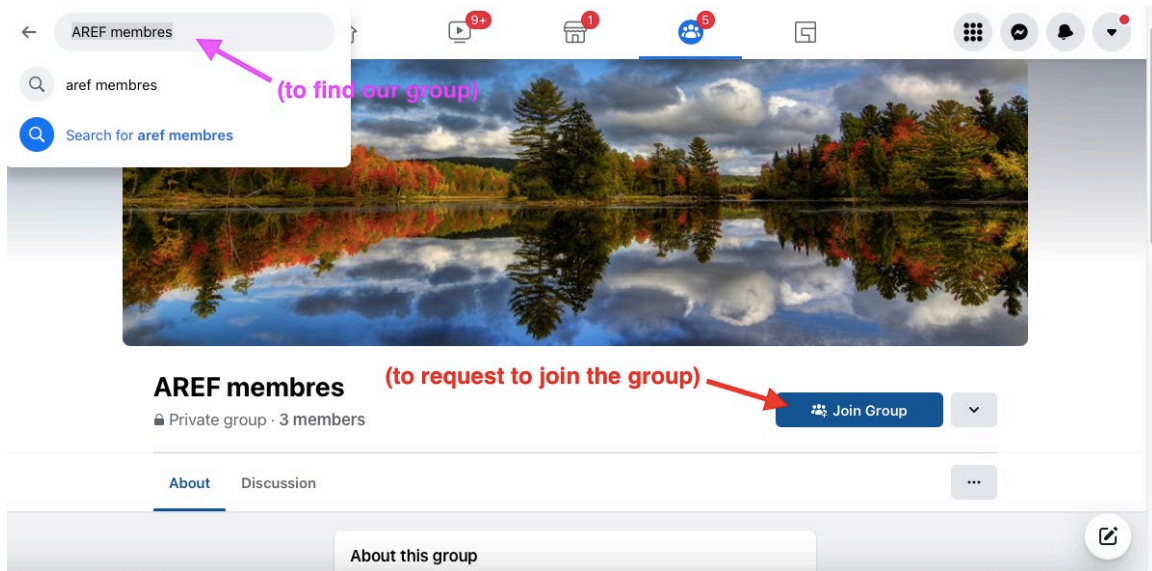

*Please note that our decision will be final. We have no means to process objections.

The Group: [AREF membres](#)

We invite you to join our group [AREF membres](#), a private space exclusively for AREF members, unlike the page, which is public. There, we will share information and announcements related specifically to our association, such as the AGM notice of meeting, our group insurance plan updates, newsletters and other communications.

To request to join our group, simply click on the “Join Group” blue button. You will be asked to provide your **AREF membership number**. If you cannot find that number, please contact us by email (secretariat@aref-neq.ca) and we will send it to you.

Note to our anglophone members:* If the settings on your Facebook profile are in English, you will see our pages in English. As you might expect, the contents shared on our Page, **AREF-neq, will be in French (exceptions: member content submitted in English, as when we publish content in the language of submission in our twice-yearly AREF-Info journal). More important content produced in both languages, such as the Newsletter, or AGM notice of meeting, will be shared in both languages in our Group, **AREF membres**.

We look forward to seeing you in our new virtual space!
