**AREF PROJECT COMMITTEE**

**REMINDER – CALL FOR PROJECTS OF A CIVIC OR HUMANITARIAN NATURE FOR 2023**

Dear AREF members,

We remind you that there is still time to submit your applications for grants for projects of a civic or humanitarian nature to be carried out during the year 2023.

This grant program allows AREF to support its members involved in individual or collective projects of a social, cultural or intellectual nature. You are therefore invited, as a member sponsor of such a project, to submit a grant application by December 31, 2022 for a project to be carried out during the year 2023.

The grant policy (please note that significant changes have been made this year) and the submission form are available on the [AREF website](#). The available budget is \$30,000, of which \$7,500 is reserved for projects with an international scope.

We look forward to your proposals.
