**AREF PROJECT COMMITTEE**

**NEW CALL FOR PROJECTS OF A CIVIC OR HUMANITARIAN NATURE**

Dear AREF members,

Following the awarding of grants to projects of a civic or humanitarian nature submitted before December 31<sup>1</sup>, an amount of \$15,550 remains available. Therefore, AREF will once again proceed with the allocation of grants for projects to be carried out during the year 2023.

We invite you to send new submissions to our committee by May 15, 2023. Please note that only projects with a local, regional or national scope will be accepted as the budget for international projects has been completely awarded. Remember that you must be a member of AREF involved as a volunteer in the submitted project, and that the latter needs to be completed by the end of 2023.

Please visit AREF's website to view and download the grant policy, selection criteria and the application form: <https://aref-neq.ca/grant-policy/>

We look forward to your proposals.
