HUMANITARIAN AND CIVIC PROJECTS COMMITTEE

REMINDER – 2nd CALL FOR PROJECTS TO BE CARRIED OUT IN 2024

Dear AREF members,

We would like to remind you that you have until **May 15** to apply for a grant – regular or lump-sum – for a humanitarian or civic project.

This program enables AREF to contribute to the realization of individual or collective projects of a social, cultural, or intellectual nature in our community. Following the awarding of grants under the first call, a total of \$12,216 remains available, including \$1,500 for projects with an international scope, and another \$1,500 for lump-sum grants. **For projects local, regional or national in scope, the amount still available is \$9,216, and to date we have received very few projects of this type.**

Between now and May 15, we invite you to submit a grant application for project to be carried out in 2024, or a request for a lump-sum grant. Remember that you must be a member of AREF and a volunteer sponsor of the submitted project.

Please visit AREF website to consult or download the grant policy and selection criteria, and to obtain the form you need to fill out to submit your project: <https://aref-neq.ca/grant-policy/>

We look forward to receiving your proposal.
