HUMANITARIAN AND CIVIC PROJECTS COMMITTEE

REMINDER – 2nd CALL FOR PROJECTS FOR 2025 (February 15 Newsletter)

Dear AREF members,

We would like to remind you that you have until **May 15** to apply for a grant – regular or lump-sum – for a humanitarian or civic project. This program enables AREF to contribute to the realization of individual or collective projects of a social, cultural, or intellectual nature in our community.

Following the awarding of grants for applications submitted to the first call, an amount of \$18,000 remains available, including \$1,500 reserved for lump-sum grants. **To date, we have received few projects of either type.** Please note, however, that the total international budget of \$7,500 was fully allocated in the first call.

Between now and **May 15**, we invite you to submit a grant application for a project of local, regional or national scope to be carried out in 2025, or an application for a lump-sum grant. Remember that you must be a member of AREF and a volunteer sponsor of the submitted project.

Please visit AREF website to consult or download the grant policy and selection criteria, and to obtain the form you need to fill out to submit your project: <https://aref-neq.ca/grant-policy/>

We look forward to receiving your proposals.
